C. OF C. WILL VOTE ON FEDERAL PROPOSALS

National Tax Measures To Be Decided Upon by Board of Directors

Decision on the vote to be cast by the Marion Chapter of Commerce in a national referendum being taken on three important federal tax proposals will be made Nov. 11 at the annual meeting of the chamber's board of directors.

The referendum is being conducted by the National Chamber of Commerce, which submitted the proposals to all of its member organizations throughout the country.

The proposals, which have been endorsed by the executive committee of the national body, are as follows: "Immediate reduction of federal income taxes, which, if made effective, are estimated to amount to \$100,000,000 in the first full year after the changes are made."

"Recommendation that the rate of corporate income tax applicable to net income of 1937 should not exceed 10 per cent."

"Recommendation that congress should provide full opportunity for the joint congressional tax committee to perfect proposals for revision of federal tax laws and their administration."

Sturdy Proposals
At a recent meeting of the board of directors of the local Chamber of Commerce, Fred E. Guthrie, president of the National City Bank & Trust Co., Henry B. Haue, president of the Marion National Bank, and O. E. Kennedy, president of the Marion County Bank, were appointed to study the three proposals and report what action, in their opinion, the local organization should take.

This report will be submitted to the board of directors and if approved by that body will be forwarded to national headquarters as the vote of the local organization.

Should a majority of Chambers of Commerce throughout the country vote favorably on the proposed tax program, the national body will submit it to congress and urge its adoption.

The tax proposals are of vital importance to business and industrial interests and are reported to be generally favored by leaders in these lines of activity throughout the country.

BROKER ENDS LIFE

Abruptly Drops Pleasant Hour's Talk with Friend

New York, Nov. 1.—William Schomburg, an insurance broker, abruptly ended a pleasant hour's talk with an old friend early today, walked to the bathroom and called back: "So long, Jerry; I'm going to end my trouble."

With that, he closed the door. A moment later, guests in the 22 story apartment hotel on W. End-av, were startled by the sound of a crash on the extension roof of the restaurant.

Jerome Bacharach, the friend, rushed into the bathroom and looked out of the window from which Schomburg had jumped. 15 stories, Schomburg was picked up dead.

OLD COUNTERPANE TO BE PLACED ON DISPLAY

Cover Made in 1829 Will Be Shown at Kiwanis Coverlet Exhibit

An interesting exhibit in the quilt and coverlet show to be staged by members of the Kiwanis Club in the Star auditorium on Thursday, Friday and Saturday of this week, will be a counterpane made in 1829 and the property of Mrs. Eunice B. Covert, 283 E. Church-st.

Mrs. Covert, who is 91 years of age, was given the counterpane by her mother Mrs. W. W. Conklin who made the cover from an original brought from New York City by Mrs. Sophia Sweetser in 1829. In order to obtain a pattern from which to work, the original counterpane was covered with plain white muslin and a powder plate rubbed over the surface until the pattern stood out in relief.

Interest in the exhibit, the proceeds from which will be used to finance the Fresh Air camp next summer, is increasing. It is reported by those in charge and it is expected that several hundred quilts and coverlets, some of them of great value, will be on display.

Long tables will be used on which to display the exhibits which will be suspended from a wire running the length of the table and raised three or four feet by means of pieces attached to each end of the table.

296 LOST LIVES

Official Statement Made By Owners of Principessa Mafalda

Rome, Nov. 1.—An official statement today by the Navigazione Generale Italiana owners of the ill-fated steamer Principessa Mafalda, said 296 persons had lost their lives when the vessel sank last week off the coast of Bahia, Brazil.

Together with the statement was an indignant denial of reports circulated here that first and second class passengers had been given preference over those in the third class during the rescue work. The company termed the reports "communist" and declared that the death-list comprised 40 per cent of the cabin passengers as against only 25 per cent of those in the steerage. Ten per cent of the crew lost their lives, the statement said.

ALIVE AND WELL

Woman Brings Father from Buffalo After His Reported Death

Cleveland, Nov. 1.—When Mrs. Walter Heineman of this city failed to hear from her father, Thomas McCarty of Buffalo, N. Y., for more than a month, she communicated with McCarty's former employer, who replied that McCarty had been dead for several weeks.

Mrs. Heineman, almost hysterical, made a hurried trip to Buffalo.

Returning home last night, she surprised friends and relatives by bringing McCarty with her—alive and well. The employer had mistaken another Thomas McCarty of the same age and description who died in Buffalo several weeks ago, as Mrs. Heineman's parent.

CHRISTIAN AID SOCIETY SPONSORS ENTERTAINMENT

Tiger Grits Teeth for Buckeye Dinner Saturday

Ohio, With Nothing to Lose, May Sully Dear Old Princeton's Goal

Old Nassau-Eli Game Looms as Best of Season; Yale Has Played Harder Schedule, but Both Are Near Perfection

NEW YORK, Nov. 1.—Serious business is ahead for the Princeton Tiger. Under the old order of things the Princetonians would be entertaining Harvard at the Palmer Stadium this week end and the Tiger would be licking his chops in glacial satisfaction; but the Big Three is no more and instead of the Crimson eleven, the Tiger will tackle the enigmatic Ohio State team at Old Nassau. And Ohio State presents the one big question mark in an otherwise successful Princeton season to date.

Tiger Heads for Yale
On past records Princeton appears to be headed logically and inevitably toward a game with Yale which promises to be an epic not only in the long history between these two but also in the history of football for this particular season. Just as the Army and Navy drew apart last year and in same after game gave indubitable evidence that their big final battle would be the climatic game of the season, so Yale and Princeton have gone their separate ways this year, demonstrating beyond all peradventure that they are just about the best of the lot if not the very best; and that when they meet in the Bowl on Nov. 12 considerably more than their ancient rivalry will be at issue.

This is where Ohio State steps into Princeton's line of fire. Apart from the game with Cornell a week ago in which the Tigers gave a superb exhibition of versatile offensive strength and of powerful defensive strategy, Princeton had been face to face with no really high class opposition this season.

Ohio State has everything to gain and nothing to lose against Princeton, has been through a series of rough and tumble battles with Michigan, Northwestern and Chicago, and although considerably scared and torn, has its fighting spirit intact and a determination to redeem itself in the eyes of the football world at the expense of the Tiger.

Ohio Pulls Together
After it had been defeated by Michigan by the overwhelming margin of three touchdowns, following its setback at the hands of Northwestern, Ohio State appeared to be headed down itself against Chicago and handed the Midway eleven its first defeat in a conference game this season. Having thus re-established itself, Ohio State is primed for Princeton.

The Tigers have had no such opposition through the run of the season as that through which Yale has battled its way to the top and it needs the Ohio

OUT OF DATE DEAN CANCELS SPECIALS

Chicago U. Students Forbidden To Cut Classes Before Ohio Game

Marion Star Bureau
Ohio State University
Columbus, Nov. 1.—Efforts of Dean Chauncey Boucher of Chicago University in trying to discourage students of that school from attending the football game with Ohio State Saturday, had little effect on the number of followers accompanying the team here.

Although the exact number of Chicago students attending the game is not known, the west side of Ohio's stadium during the game was almost entirely filled with Maroon rooters.

Evidence that many of the more adventurous students had apparently forgotten the dean's order of attending all of the Friday classes before the game, was discovered when collegiate automobiles bearing students and "thumbs" began arriving in Columbus long before the starting whistle of the contest. These students, according to an announcement of the dean, will have to explain their absence when they return to class Monday.

In his move to prevent students from making the trip to Ohio for the game, Dean Boucher deterred all trains which had been chartered for the journey.

AMOS ALONZO III

Grandson of Famous Coach Arrives in Chicago

Chicago, Nov. 1.—Coach A. A. Stagg left his University of Chicago football squad to the care of understudies today while "the grand old man" celebrated the arrival of Amos Alonzo Stagg III, a grandson. The Maroons came through their tussle with Ohio State without serious mishap and will be in top shape for Michigan here Saturday.

DEFIANCE, TOLEDO TO MEET SATURDAY

Both Teams Undeclared in Northwest Ohio Conference

Football Green, O., Nov. 1.—Defiance and Toledo, both undefeated in the Northwest Ohio Conference, were grooming their football teams this week for what is regarded as one of the most important games of the conference Saturday, when the two meet at Toledo.

Defiance, with two victories within the loop, is a favorite to win. Toledo's one victory over Bluffton in the conference was not so impressive, and the Rockets will have to play exceptional football to down the Yellow Jackets.

The "two cellar teams," Bluffton and Findlay, are to play at Findlay on Saturday. Each has lost two games, but Bluffton is slightly favored.

Bowling Green, the other conference eleven, rests this week-end, after Saturday's victory over Findlay, which incidentally uncovered a new Bowling Green star, Fullback Carroll, who carried the ball 25 times in Saturday's game, from scrimmage, for an average gain of 5 yards.

ILLINI GETS READY FOR IOWA CLASH

Champaign, Ill., Nov. 1.—Overjoyed by their brilliant victory over Michigan, Zupke's Illini were training carefully today for their third conference clash of the season against Iowa Saturday. Zupke cautioned his men against over-confidence, telling them not to be misled by Iowa's poor showing so far this season. Several of the men were badly bruised after the Wolverine battle and given a few days rest.

MIKE M'TIGUE IS 6 TO 5 FAVORITE TO BEAT WALKER

No Title at Stake in Coliseum Battle Tonight

Chicago, Nov. 1.—Mike McTigue, former light heavyweight boxing champion, is a 6 to 5 favorite to beat Mickey Walker, middleweight title holder, in their ten-round battle at the Coliseum tonight.

It is the renewal of an old feud with Walker and McTigue, both genuine Irishmen. They fought 12 rounds in 1923 with the result that no one was quite sure who won.

Walker will weigh around 165 pounds and McTigue 170 pounds. There will be no title at stake. The middleweight champion is 26 years old and McTigue is 33.

Walker, who once held the welterweight title, is rapidly outgrowing the middleweight division, just as he outgrew the welter. He hopes to defeat McTigue and then challenge Longhras or Slattery, both of whom claim the light heavyweight crown.

Jack Kearns, Walker's manager, believes Mickey is destined to wind up in the heavyweight class. If he succeeds in his plan to capture the light heavyweight crown, Kearns says, Walker will then invade the ranks of the top boxers.

Holman Sagor, the Negro light heavyweight from Cuba who has an enviable record of knockouts, will clash with Benny Rose of Buffalo, N. Y., in the ten-round semi-windup tonight.

BILLIARD MATCH

Willie Hoppe and Ralph Greenleaf Have Substantial Leads

New York, Nov. 1.—Ralph Greenleaf and Willie Hoppe went into the second day's play of their respective billiard matches today with substantial leads. Greenleaf defeated James Maturro in the first two blocks of their handicap pocket billiard match, the score standing 304 to 97 at the beginning of today's play. Greenleaf's high run of the first day's play was 40 against Maturro's 31. Hoppe entered today's play with a lead of 120 to 103 over Otto Heisel in their three cushion match. Hoppe was playing his old time during form.

BUCKEYES IN GOOD SHAPE FOR CLASH WITH TIGER

Columbus, Nov. 1.—Booster by the victory over Chicago, Coach Wiley's re-inspired Ohio State squad settled down to hard training today for their important inter-sectional tilt with Princeton Saturday. The Buckeyes came through the grueling clash with the Maroons in fine shape.

BOXER TAKES DIVE; FORFEITS PURSE

Tom Sayers Counted Out After One Minute of Fighting

Philadelphia, Nov. 1.—Tom Sayers of Detroit, who was scheduled to trade blows with George Godfrey, colored heavyweight fighter, at the arena here last night, ceased activities sixty seconds after the beginning of the first round.

The doughty warrior from the west exchanged a few light taps with his negro opponent, suddenly slid gracefully forward on his face. He lay there while the referee counted him out. His men sprang lightly to his feet and stepped dutifully to his corner.

His action threw the crowd into an uproar. Spectators stood on their chairs, booing and hissing. Others threw their hats, cushions and programs into the ring. Police had their hands full quieting the crowd.

Immediately after Sayers was counted out, Chairman Weiner of the Pennsylvania State Athletic Commission, jumped through the ropes and announced the Detroit battler's portion of the purse would be forfeited.
